

NOW WHAT?!

ADVOCACY ACTIVISM and ALLIANCES in AMERICAN ARCHITECTURE since 1968

Now What?! is the first exhibition to examine the **little-known history** of architects and designers working to further the causes of the civil rights, women's, and LGBTQ movements of the past fifty years. The exhibition content, conversations, and stories will **inspire a new generation** of design professionals to see themselves as **agents of change** by looking at the past to see new ways forward.

Department of Architecture
