* PHYS 1111 & PHYS 1111L are prerequisite to ARCH 2211, therefore they **MUST** be completed by end of Spring of 1st year.

- Students must meet with their academic advisor to set forward a curriculum path to satisfy all remaining Georgia Core and Elective courses needed to fulfill the requirements for graduation.
- Student must carefully follow the course sequence reference in the DoArch Accelerated Program Sequence. Failure to complete the course in the prerequisite curriculum sequence may result in delay towards degree and graduation
- All courses must be passed with a letter grade of "C" or higher to fulfilled prerequisite requirements and to be counted towards graduation.
- A successful portfolio review is required for registration in to upper division ARCH 3011 studio sequence
- Students may elect to use the required elective credits to complete a minor in another field, should the minor be less than the allocated 17 crs the student should apply the extra credit towards a free elective.
